### Judicial Notice - To compel

Defendant to properly label it's

Correspondence to identify as legal mail

Plaintiff comes in respect to this cause seeking the court to compel Defendant counsel to properly label and address future correspondence as being from an attorney at law or some sort of law firm due avoid institutional issues as taylor has faced with x2 being having legal correspondence from defendant counsel sent to him and opened outside of his presence and threatened to have such mail rejected / denied cause it does not identify as being from a verifiable attorney or law firm. The sender on the correspondence states and shows only as being Kristen MacDonald 1260 Andes Blvd St. Louis, MO 63132 issues are being posed to plaintiff due to institutions across the us, experiencing drug smuggling through the facilities legal mail procedures. The labeling on the fedex tag says in re: Taylor, C v TSG then says Dept Legal under Plaintiff's mailing Address. TOCC BBOX facility states that is insufficient and to avoid issues or problems Notify counsel to properly label and identify themselves on the label as attorney at law ? As legal Mail in the sender's information. Plaintiff prays this court can compel defendant to comply
